Rental Guidelines

Please familiarise yourself with the following rental guidelines before you depart:

- Insurance:** The motorcycle will be insured by BMW-Motoadventures (MA). MA insures for theft, collision damage and 3rd party while it is being used within the terms and conditions of the original contract. The insurance covers any accidental damage to the motorcycle that is reported to MA as stipulated in the Terms and Conditions of Rental as per your rental agreement. Failure to report the accident, damages or theft will result in the motorcycle no longer being covered by insurance.
- Insurance Excess Cover:** You will be liable for the insurance excess cover for the model rented as per the following applicable options:

Standard Rentals within South Africa	Cross Border Rentals
<input type="checkbox"/> BMW F650GS – R12,500	<input type="checkbox"/> BMW F650GS – R25,000
<input type="checkbox"/> BMW F800GS/R1200GS/R – R15,000	<input type="checkbox"/> F800GS/R1200GS/R – R30,000
<input type="checkbox"/> BMW R1200RT – R17,500	<input type="checkbox"/> BMW R1200RT – R35,000
<input type="checkbox"/> BMW R1200GS Adventure – R17,500	<input type="checkbox"/> R1200GS Adventure – 35,000
- Accessories and Extras:** Any other rented goods, other than the motorcycle (eg. Panniers, GPS, helmets, top boxes, tank bags, other luggage and clothing) are not covered by the insurance policy. Any losses or damages to these items whatsoever will be for the account of the renter and will be recovered from the deposit paid when the goods are rented. All other insurance, such as personal and medical insurance, is the responsibility of the renter. Notwithstanding that BMW GS motorcycles are designed for dual-purpose use, these motorcycles are insured for travel on national and main tarred or hard packed gravel roads only (as per Map Studio Road Atlas). Travel on secondary roads will not be covered. Road going motorcycles (BMW RT and R models) may only be used on tarred roads. Special attention needs to be given to the use of standard plastic Panniers and Topcases: If you intend to travel on gravel roads, we strongly recommend the use of either soft luggage (Ortlieb Bag) or Aluminium panniers. The standard panniers are not manufactured to withstand the impact of gravel roads, and consequently the renter will remain responsible for any luggage item that is broken or lost for whatever reason.
- Accidents and Replacements:** If the rental motorcycle or vehicle is involved in an accident, no refunds for early termination of the contract will apply. Should you require a replacement vehicle (if available) a new rental contract and conditions will apply. You will be responsible for the recovery of the damaged vehicle to the original rental depot in accordance with your rental contract. If you require a replacement vehicle to be delivered, then the charges for the delivery of the replacement vehicle will be for your account. No refund of rental days lost will be considered during the period in which a replacement vehicle is being delivered. Should there be no replacement vehicle available, no refund will be considered.
- Damage and Accident Policy:** In the event of a fall, collision or damage, however minor, you will be required to complete the Insurance Claim Form overleaf. Please note that MA has a strict replacement policy on all damaged parts, irrespective of how minor any damage may be. Any scratched, dented or damaged parts will be replaced at the current dealer part retail price plus labour. An administration fee for any claim or damage repair will be charges at R350.00. All accidents, however minor, are to be reported to the police. Please obtain a case number which must be detailed on the insurance claim form overleaf. Failure to do so will result in your claim being repudiated. No damaged parts will be retained or forwarded to the renter.
- Insurance Exclusions:** The renter will be fully liable for any damage to the vehicle or third party vehicle in the following circumstances:
 - Water damage / water submersion (including salt water)
 - Wilful damage – any damage caused as a result of negligence. Wilful damage includes, but is not limited to: Driving under the influence of drugs and alcohol. Driving on restricted roads or in restricted areas. Damaging the clutch or gearbox due to incorrect use of the clutch/gearbox (see full terms & conditions). Seizing an engine due to low oil level or incorrect use of vehicle or supplements (See full terms & conditions). Driving on the wrong side of the road.

- Local & Cross Border Repatriation in case of an accident and/or mechanical breakdown - irrespective of the reason
 - GPS and/or Luggage (i.e. Panniers & Top Case)
 - Windshield, headlamp, tyres, rims & seats
 - Number Plate & Licence Disk loss
 - Paint damages (incl. major scratches, dents)
- Back-up / Repairs on Self-guided Tours:** Your motorcycle is covered by BMW Roadside Assistance in South Africa ONLY. Should you require assistance with a road side breakdown, please call BMW On-Call on 0800 600 777 or +27 12 522 2930. Any repairs that may be required are to be authorised by MA. Please call MA for authorisation prior to any work done on any vehicle. MA will not be responsible for any roadside recoveries. Any costs associated with repatriating a motorcycle (Not covered by BMW SA Warranty Policy), both within and outside South Africa will be for the account of the renter.
- Fuel and Oil:** All motorcycles are to filled with 93RON or 95RON Unleaded fuel. You were handed a motorcycle with a full tank. Please return your rental motorcycle with a full tank. Failure to do so will result in an amount of R150.00 (plus cost of the fuel filled) being charged to your credit card. The oil level of the rented vehicle should be checked regularly and engine failure due to low oil levels will constitute negligent behaviour on the part of the renter. Please top up all motorcycles with Castrol GTX 20W50 mineral oil.
- Late / After-hours return:** A late return will be deemed to be a return later than the time stipulated in your Rental Agreement. A late return will attract an extra day's rental charge. After hours is defined as a collection or return of a motorcycle outside of our "Depot Hours" detailed below. A charge of R350.00 will be levied for returns after hours.
- Traffic Offences:** You will be responsible for any traffic prosecutions whilst the motorcycle is in your possession. All traffic fines received will be paid on your behalf by MA and directly charged to your credit card. A handling fee of R250.00 will be levied per fine.
- Cross Border Repatriation/Abandonment:** Where a motorcycle is abandoned for any reason whatsoever, locally or across any border, the renter will be responsible for its repatriation to the nearest MA Depot. These charges fall outside of your motorcycle Insurance cover and will be for the account of the renter. Daily rental charges will continue until such time that the motorcycle reaches one of our depots. Motorcycles may only be ridden outside of the borders of South Africa with prior authorisation of MA.
- General Maintenance:** The renter will be responsible for the motorcycle whilst it is in their possession. Oil, water and other fluid levels are to be checked daily and topped up as required. Chain driven motorcycles – Please lubricate chain and sprockets daily. Tyre pressure – GS Models on tarred roads (F2.2 Bar, R2.4 Bar), on gravel roads (F1.6 Bar, R 1.6 Bar) – Road Motorcycles on tar Road only (F2.4 Bar, R 2.6 Bar). Engine Oil – 20W50
